

## A Dubai based communication agency with a difference

As we all know that Dubai is one of the busiest places on planet earth with people coming from all around the world to shop till they drop. This has also brought in a lot of national and international brands that compete in order to make a name for them in the market. &nbsp;

No doubt it is tough to break in to the Dubai market which is why most brands take the help of creative agencies that can help them achieve their target in more than one ways. Amongst the many creative agencies that have managed to deliver amazing results for their clients is the Dubai based organization known as The Mansion.

### The specifics of the Mansion

The foundations of the company were laid in 2006 in Dubai. With just two years in operating the company has experienced an unprecedented level of success which has helped it to open up international branches in America and the UK. Basically the group is a creative agency that is all set to deliver world class experience to a global clientele. &nbsp;

They specialize in bringing brands to life through life communications. Their ability to focus on their client's messages, objectives and strategies and then translate them into extremely creative ideas has opened up the door to commercial success for them. They will help you to entertain and interact with your target audience in a way that the audience will have a maximum retention of your message. &nbsp;

### The services

Basically the company will take over all your communication needs from the start to the finish. From the conceptual developments to the practical translation and spot on execution of live events, exhibitions and film productions the company will handle it all for you. The company is known as a creative live events agency and is based in Dubai. It extends its services all over Dubai and the surrounding GCC countries. Although you will be able to find a number of creative agencies in Dubai but there are few agencies that can compare with the turnkey solutions that the Mansion Group has to offer. &nbsp;

### The key of "Turnkey"

Basically what the company means by providing a turn key solution is that they are your one stop shop to all your communication needs in the case of live events. Their services include having catering events in Dubai, holding corporate events, offering events management solution in Dubai as well as dealing with all sorts of live events. These services are further coupled by the company's ability to provide you with in house production and graphic designing which makes this agency a fully packed power house. &nbsp;

There are so many big events taking place in Dubai at such regular intervals that it is imperative to have a lot of event agencies. There is more than an event a day happening in Dubai hence you can imagine the demand that there is for event agencies. Amidst this fierce battleground The Mansion has managed to rise to the occasion and make a name for it by providing distinctive services to their clients.
